Note 1

The improvers course (9th September) will start at 10am and run for approximately five hours with a break for lunch.

The course will be a theory course conducted in the training/committee room.

It will consist of various lectures on how to improve your sailing and generally racing.

How to gain performance from your boat.

How to find the wind and use it to your best advantage.

Rules of the road and racing rules.

How to start and sail the course.

The application of tactics.

How to set your sails.

Tuning your boat.

Note 2.

Sat 30th December is a proposal only at this stage to replace Sunday 31st (New Years Eve).

This will be discussed at the next SCM.

2nd Sept 2017
